## RIVER CRUISES

---

**Danube – Rhine/Main/Moselle – Rhône/Saône**

THE MOST WONDERFUL WAY TO  
UNWIND, LEAVE EVERYDAY LIFE  
BEHIND AND EXPERIENCE  
THE MOST BEAUTIFUL CORNERS  
OF EUROPE: A RIVER CRUISE ON  
BOARD A-ROSA

## EUROPE FROM ITS MOST BEAUTIFUL SIDE: AN A-ROSA CRUISE SHIP.

**C**ruising on a river is certainly not the fastest mode of transportation. And the countless meanders of the Rhine, Danube and Rhône are not the fastest way to get from A to B either. But that's precisely what we want to give you: a little time for you to relax and unwind. As you leisurely take in the breathtaking riverscape, you can really take time for yourself. Make yourself comfortable in your cosy cabin or simply daydream in SPA-ROSA and on the sun deck. If you like, you can also take part in our many exciting activities.

Every day, you can enjoy the new culinary surprises of our buffet with its live cooking station. Relax during a variety of activities on or below deck or during stimulating conversations with your fellow travellers. And during our many different stops, you will have plenty of time to get to know the country and its people better, no matter whether on your own or on one of our guided excursions. Whatever you want to do during your trip, we look forward to helping you make the most of it. Welcome aboard A-ROSA!

## YOU'LL FEEL AT HOME BEFORE OUR SHIP HAS EVEN SET SAIL.

As soon as you enter your cabin, you will feel at home. At home? On holiday? Without a doubt! You can look forward to plenty of space and a plethora of comforts. This is the perfect place to relax after an eventful day, to reflect on the many different impressions and experiences of the day and to look forward to the next day. We have paid particular attention to design and high-quality materials – on each and every cruise ship in our fleet. After all, we know just how important it is to spend the most valuable time of the year in an environment that leaves nothing wanting. That's why we aim to make our cabins feel like a home. Whether in a cosy armchair or on your balcony, whatever you're doing, you'll enjoy your stay and you'll always be in a good mood.

### VARIETY OF CABINS FOR ALL YOUR NEEDS.

### ENJOY OUR SPACIOUS SUITES ON THE A-ROSA SILVA AND A-ROSA FLORA.

# YOUR PALATE WILL ALSO EXPLORE MANY NEW TASTES ON YOUR TRIP WITH US.

**T**he fresh ingredients feature the vibrant colours of the landscape where they were harvested. The rushing of the waves mingles with lively chatter. And the scent of sizzling prawns permeates the air above the river. Mealtimes on board A-ROSA are about so much more than just enjoying food. But above all, they're about enjoying the food to your heart's content. Put together your own menu at the cooking station, the cold and warm buffet – thanks to FullBoardPlus whenever, wherever and with whomever you like. At a pretty table in the restaurant or in a relaxed atmosphere on the sun deck. The summertime barbecue is also a celebration of the easygoing lifestyle on the water. If the weather cooperates, a cheerful riverside barbecue party is held on the sun deck. But if you like, you can dine in a more exclusive atmosphere. Treat yourself to a really lovely A-ROSA Dining evening as an add-on to your trip. You can look forward to a multi-course seated dinner with a selection of corresponding fine wines from our extensive wine menu. And don't worry: all menus are also available in English.

## TAKE TIME OUT TO TREAT YOURSELF TO SOMETHING SPECIAL.

**N**ow and again, it's time to think about yourself and treat yourself to an exclusive pampering programme. But isn't that selfish? Definitely not! Because everyone who feels at ease in their own skin will positively influence the people around them. And because our guests have very different ideas when it comes to the perfect pampering moment, we offer you a wide range of choices to make your very own dream come true. Each of our cruise ships has its own on-board SPA-ROSA where our expert spa and beauty team is waiting to greet you: treat yourself to a massage, facial or manicure. A sauna with a panoramic view of the river and the landscapes will enable you to properly wind down and focus on yourself. If desired, you can complete your spa visit with a very special highlight: the exclusive private atmosphere of the Private SPA. But sometimes doing some exercise is the best way to find inner tranquillity. And this is why you'll find a wide range of keep-fit facilities on board our ships. Starting with the deck, its pool or whirlpool, shovelboard and putting green. And in the on-board gym, you can work out on our modern cardio equipment. If desired, you can also work out with a personal trainer or get our qualified staff to put together your own individual training plan. On land, sports enthusiasts meet up for cycling tours.

## AN OASIS IN THE MIDDLE OF THE RIVER — THE SUN DECK.

**T**ime on the sun deck is hard to measure. Sometimes, such as during sunset, time seems to stand still. However, during exciting shovelboard games, intense games of chess and small golf tournaments, time seems to fly. But what really matters is that you take all the time in the world to do whatever you like. Chat with your neighbour during a poolside snack on your sunbed or search for a spot in the shade to spend some time alone. On our spacious ship, you will always find the perfect place to enjoy the picturesque landscapes in total solitude, watch the endless cinema of the clouds during a delicious cocktail or immerse yourself in a good book. The motto on the sun deck: anything is possible, but nothing is compulsory.

IT'S GOOD TO HAVE  
THE CHOICE.  
TO ENTERTAIN YOURSELF  
OR LET YOURSELF  
BE ENTERTAINED.

**W**hat goes better with a good glass of wine than music and the calming sound of the waves? Combine this with an interesting conversation, maybe about the last excursion, maybe with people you've just met – and that makes for the perfect evening. We believe that the best entertainment doesn't force itself into the foreground, but instead subtly emphasises the magic of the moment. That's why we don't hold loud daytime entertainment programmes, but instead organise small, but unique programmes. And our stylish evening programme marks the end of the perfect day. Of course, you can also spend your free time in good company, playing board games and cards, or make yourself comfortable with a book from our on board library. It's up to you!

# THE JOURNEY CONTINUES. BUT YOU'LL NEVER FORGET THE WONDERFUL MEMORIES.

**C**ulture and civilisation have always developed around rivers. This is where the first settlements set up camp and where trade flourished. But this is also the cradle of intellectual and religious life. On our shore excursions, you are given the opportunity to experience the highlights from 2,000 years of European cultural history. With expert guides or on your own initiative. Most of these excursions only last a few hours, but these are hours you will never forget and which will give you many wonderful memories to take home with you. To feel at home on an A-ROSA cruise, you don't have to speak any German. Our international ships also have English-speaking international hosts who will ensure you have no communication problems on board. Excursions are also offered in several languages.

ENJOY A WONDERFUL  
TIME WITH A-ROSA IN  
THE HEART OF EUROPE.

# DANUBE

**DANUBE CLASSICS:**

Engelhartszell, Vienna, Esztergom, Budapest, Bratislava, Wachau, Engelhartzell

Discover all the highlights of the Danube in just eight days! Follow in the footsteps of venerable emperors and kings and discover both historic and modern places. Or places that harmoniously combine both – for a genuinely unique experience!

A multitude of cultural highlights and breathtaking natural landscapes, complemented by the deep blue of the Danube. This river has a lot to offer, relaxing and captivating all in one.

The Danube steadily flows towards the sun until ultimately ending in the Ukraine and the Black Sea. Everywhere it flows, it fills its environment with life, which is not only reflected by the fascinating nature of the Danube Delta, but also by its pulsating cities. Vienna is filled with the sound of the waltz, because even today the city is permeated by the charm of the Imperial and Royal monarchy. During your tour of the city, you simply have to make a stop at one of Vienna's famous coffee houses, because it is only

there that you will get a true feeling for being Viennese. But Budapest has some cosy little places too, although it's more renowned for its wild and romantic charm. The highlight of the metropolis rises up on the city centre's Castle Hill: the marble Fisherman's Bastion. This offers an outstanding view of the Danube. In the UNESCO World Heritage Site Wachau, you can inhale the spirit of centuries past as you wander through the corridors of the ancient Benedictine abbey Stift Melk. In spring, you can also admire the glorious splendour of the apricots blossoming with the little vineyards rising up in the distance. The dreamy town of Krems with its stone gate is also worth a visit. And when the river passes the Iron Gates at the Romanian-Serbian border, it takes you with it to a Europe with a history that is as spectacular as the rocky cliffs of this unique gorge valley. You will notice one thing for sure: the Danube is and remains Europe's vital line of transportation.

## VIENNA

Vienna's worth a visit just for its coffee houses. The Sachertorte (a rich chocolate cake) and Vienna's incomparable charm make for unforgettable days between the Hofburg, the Naschmarkt and the Prater park.

## BELGRADE

The settlement history of this area at the confluence of the Sava and Danube rivers goes back to the Stone Age. The capital of Serbia is one of the oldest cities in Europe.

## BUDAPEST

Here you can experience European history up close. Whether the rule of the Ottoman Empire, the Habsburg era or Soviet Socialism – numerous cultures have made their mark here.

# NORTHERN RHINE

## EXPERIENCE THE NORTHERN RHINE:

Cologne, Markermeer / IJsselmeer, Hoorn, Amsterdam, Rotterdam, Ghent, Antwerp, Nijmegen, Cologne

For eight magical days, experience the diversity of the North, where spectacular nature alternates with the Rhine metropolises of the Netherlands and Belgium. Go on an excursion to the Kinderdijk windmill park or watch diamond traders at work. Or experience Amsterdam and its historic canals.

Cruise down the Rhine along the fascinating last stretch of this river. From Cologne through the Netherlands and up to the Rhine Delta on the coast of the North Sea. 550 kilometres of river.

**F**rom its source in the Mittelgebirge (a relatively low mountain range), Father Rhine shows his true size. The land becomes flatter, the flow becomes wider. The sky becomes higher and the horizon becomes wider. This also affects the way that people who live around the Rhine think. You start thinking more freely here and with less reservations.

## AMSTERDAM

Amsterdam is unusual in many ways. Thanks to its more than 2,000 architectural monuments, world-class museums and historic canals, but above all due to its unique and liberal atmosphere.

## IJSEELMEER

In the Netherlands, the word “Meer” is roughly translated as inland sea. The IJsselmeer consists of a bay enclosed by dikes with a water depth of 2–4 metres. It’s the perfect training ground for all sailors.

## BRUSSELS

Here you will not only experience the history of centuries past. The European Council and NATO are writing current history. The most important feature is of course the famous Manneken Pis or the “Pissing Boy”.

In free-spirited Cologne, in multicultural Amsterdam or in international Brussels, you can see for yourself. But don’t forget to see the historic sights. Cologne looks back on a 2,000-year history and the Netherlands was a trading and world power for many centuries, which can be seen in the splendour of its cities. In the last few kilometres, the land gradually recedes. The Rhine Delta is a world between the elements. At the mouth of the Rhine, you can enjoy a world-class natural phenomenon: the tidal shallows with their mudflats. This is where the Rhine ends its 1,230-kilometre-long journey. And if you look into the distance during low tide, you may find yourself experiencing an overwhelming sense of infinity.

# SOUTHERN RHINE

## EXPERIENCE THE SOUTHERN RHINE:

Cologne, Boppard, Loreley, Strasbourg, Basel, Breisach, Mainz, Loreley, Koblenz, Cologne

This eight-day itinerary will take you through Germany, France and Switzerland. Romantic riverbanks, historic castles and towns – experience the idyllic Black Forest. Maybe you'll even get to try a piece of famous Black Forest gâteau. The highlight of this trip is undoubtedly Basel – the city of culture with its enormous selection of museums.

The itineraries of the Southern Rhine: this is about so much more than the Middle Rhine Valley and the Upper Rhine. This is where the Rhine shows itself in its best light, whilst the delicious wines of ambitious young vintners tantalise your taste buds.

Impressive Roman towns and romantic villages with half-timbered houses. Steep vineyards and solemn castles. What initially sounds like pure Rhine romanticism quickly proves to be true on our itineraries: this really is the most beautiful part of Germany. Experience impressions that no

## KOBLENZ

Koblenz is not just where history meets modernity, but also where the Rhine meets the Moselle: at the "Deutsches Eck" ("German Corner") the two rivers join each other in front of the equestrian statue of Emperor William I.

picture can do justice to. The soothing rocking as the ship passes the Loreley while you wonder whether there is a grain of truth in the old curse. The special feeling of touching a stone that was put into the wall 2,000 years ago. The fine rushing of Europe's biggest waterfall against your bare skin. Or enjoying a lovely glass of wine, surrounded by the vines from which the grapes came. There are some things you just have to experience for yourself. If you find your dream itinerary, you will soon be able to gather your own impressions of the most beautiful places along Germany's most famous rivers.

## STRASBOURG

Discover Strasbourg. From the Roman era up until the present day, the city has played a significant role and had an eventful history. The impressive buildings still bear testament to this today.

## BASEL

In Basel, you can look forward to much more than just sightseeing and shopping. You can taste exotic chocolate or go on exciting excursions. For example, to the Rhine Falls near the town of Schaffhausen.

# RHÔNE & SAÔNE

## RHÔNE ROUTE CLASSIQUE STELLA:

Lyon, Mâcon, Chalon-sur-Saône, Lyon, Avignon, Arles, Lyon

Experience eight days of savoir-vivre in a region that boasts pure culture. Visit Lyon with its impressive, historic legacy. And one thing you definitely shouldn't forget to do in the midst of all these impressive sights: taste a wine from Mâcon or Chalon-sur-Saône. Or stroll through Avignon's awe-inspiring Palace of the Popes.

Burgundy, Provence, Camargue, Chalon-sur-Saône, Aix-en-Provence, Arles – a cruise on the Rhône and Saône will take you through world-famous Roman towns and dreamy landscapes with evocative names.

**T**he South of France. This sounds like leisurely afternoons in the shade of ancient ruins, colourful summer dresses and banquets under a starry sky. And one thing we notice: the lifestyle on board becomes more cheerful and laidback from day to day. Is it perhaps attributable to the impressive constructions of these charming cities? As you walk through Avignon's Palace of the Popes, you feel as

if you have travelled back in time to an era long past. And in Lyon, if you could, you'd love to switch places with the angel of the Basilica of Notre-Dame de Fourvière because it has the most beautiful view of the city. But perhaps the South of France's special atmosphere is a result of its breathtaking nature. Romantic Carmague boasts one natural spectacle after the other: during your boat or bicycle tour, you will come across graceful white wild horses and might even catch sight of a shy flamingo. The wild waters of Ardèche carved out an equally beautiful landscape from the calcareous limestone over the course of millions of years. Gather as many memories as you can and enjoy the wonderful atmosphere of the South of France.

## CHALON-SUR-SAÔNE

Record your memories on camera here – and spare a thought for Joseph Nicéphore Niépce, who in 1826 took the first photo in the world with an eight-hour exposure time. Learn more at the Maison de la photographie.

## LYON

The old town of Lyon's port of departure and destination features Renaissance houses, making it worthy of being a UNESCO World Heritage Site. It is for gourmets too: Lyon is dubbed "la ville de gueule" – the gourmet town.

## AVIGNON

"On the bridge of Avignon, we all dance there" – the words of a folk song from the 15th century pay tribute to the unbridled joie de vivre at the foot of the Palace of the Popes. And this joie de vivre is still very much alive today.

## ARLES

Even if you haven't yet seen the ancient Roman town, you're sure to recognise it from pictures. Vincent van Gogh painted Arles in 187 of his works. A few of his motifs have today been restored to their original state.

A group of four people (two men and two women) are seated around a round wooden table on a ship's deck. They are looking out over a large body of water towards a sunset. The sun is low on the horizon, creating a warm, golden glow. The sky is filled with soft, wispy clouds. The deck is covered in green artificial grass. The table is set with a bottle of wine, glasses, and plates of food. The people are dressed in casual, elegant attire. The overall atmosphere is peaceful and scenic.
